**Events of the Third Quarter**

National Encampment: Five Lytle Camp brothers and two wives made it to Louisville for the encampment. Abe and Mary Lincoln were also there for an evening. Other than an unplanned evacuation of the hotel at midnight due to a false alarm, the proceedings went well and our Kentucky hosts made the event very enjoyable and educational.

The fourth annual Lytle ceremony was attended by 19 persons including 4 relatives of Gen. Lytle in spite of a generally dark, gloomy and rainy day but with a clearing at the time of the program. Richard Kesterman of the Cincinnati Historical Society delivered an interesting talk about the events following Gen. Lytle's death at Chickamauga.
